

Item 5 of 13

Answer the following questions about media/data labelling policies.

a. Explain the purpose of this type of policy.

This policy is to ensure that all corporate data is marked with a visible classification tag that denotes its level of sensitivity.

Classification and labelling schema

b. List **four** requirements you would expect to see in a media/data labelling policy.

Storage control for digital and physical assets

De-labelling Procedures

leak mitigation
