

Item 8 of 10

Section 1: Cyber security awareness and practices**Develop a survey**

Check each of the following boxes to confirm your survey addresses each item:

- ☐ *include at least 10 questions*
- ☐ *include questions that seek opinions about potential gaps in cyber security and practices*
- ☐ *be based on best practice survey design*
- ☐ *is electronic*
- ☐ *is secure so as to ensure cyber security.*

Explain how you have ensured the survey is secure.

Attach your completed survey or provide your assessor with access to it. If you provide your assessor with access, ensure this is done securely.

Survey feedback

- *Summarise the key findings and/or trends regarding cyber security awareness and practices.*
- *Attach copies of the surveys you received. You can do this by either:*
 - *creating pdfs of the surveys*
 - *making screenshots of the surveys*
 - *emailing responses to your assessor.*

Attach:

- Survey
- Completed Surveys
- Policy and procedures
- Cybersecurity program presentation

Hi teacher,

Item 9 of 10

Section 2: Feedback on cyber security awareness and practices**Discussion summary**

As per the assessment instructions you are to document the key points from the round-table discussion that occurred after the training and information session. This should include feedback and thoughts on:

- any gaps you believe might still be present in regards to cyber security awareness and practices and the impact of such gaps
- feedback you received about your program and policy and procedures

improvements that should be made to cyber security practices based on your learnings from your own research and your analysis of others' programs.

Attach:

- Updated training program
- Updated policy and procedure

If required, add a note or written response to accompany your submission

Each file uploaded can be no more than 1GB, uploaded files can be removed before submission
